HELPING IS A PART OF LIFE

THE REINHOLD BEITLICH FOUNDATION

TWO FOUNDATIONS OF THE COMPANY FOUNDER

During their lifetime the founder of the CHT Group, Reinhold Beitlich, and his wife Gertrud already incorporated part of their assets into two foundations, which were founded in the 1980s.

Reinhold Beitlich Foundation

This charitable foundation embodies the founder's social aspirations to support public welfare. The annual distributions of the CHT Group to the Reinhold Beitlich Foundation are the fundament of the financial commitment to education, training, social affairs, environment, science and research.

Beitlich Family Foundation

This foundation is the supervising board of the CHT Group: The foundation's board supervises and controls the Management of the Group of companies, thus ensuring the development of the entire company.

Since the 1980s, more than 12 million Euros have been invested in charitable projects. The foundation supported 246 projects and activities in 2017 only – and the number is growing every year.
